About BISCA

Bisca spent four years at the Academy of Fine Arts where he majored in painting. Lives and works in Chicago, USA.

In his new artwork, He combines all experience with painting, photography, graphic design, print and advertising to create versatile art, including imagery from popular culture and contemporary materials like holographic film for special color effect.

Bisca is creating high fashion art, portraying our society today and exploring the emotional aspects of consumerism. His work is the expression of the moment, through brands and high end luxury objects.
